This outing is a "teaching" outing and each foursome will be accompanied by an EWGA LI Mentor who will lend advice and provide guidance with respect to rules, etiquette, pace of play and course management.

If you are a Beginner, Beginner Plus or Novice level player, this outing is for you!!! You may be holding off from joining one of our Chapter Outings because you feel nervous about playing. This outing is an educational event which will give you the confidence to participate in one of our regular outings held throughout the season.

You'll get a chance to have a mentor guide you through nine holes of golf. Attention will be focused on rules & etiquette as well as pace of play, and so much more!!! *The event is limited to 36 Beginner, Beginner Plus or Novice EWGA Members.*
