Tournament	Description
Open Play – No Tournament	No formal tournament. Dates may be utilized for the rescheduling of tournaments.
Throw-Away Tournament	For 9-hole leagues- throw out scores from the 2 worst holes. For 18-hole leagues – throw out scores from the 4 worst holes.
Sand Blaster Team Tournament	The team score for each hole is the lowest score attained by any member of the foursome on that hole. Once a player gets into any sand bunker, circle her score for that hole on the scorecard; her scores cannot be used for that hole or any subsequent holes. If all members of the team were in bunkers during the round, the team is eliminated from the contest.
Odd Hole Tournament	Only scores from the odd-numbered holes count for the tournament score.
Even Hole Tournament	Only scores from the even-numbered holes count for the tournament score.
Tee to Green Tournament	Track total score and total putts, as usual. Subtract total putts from total strokes to obtain a tee-to-green score. The ball must be on the green for the stroke to count as a putt. The maximum score is par+5. Players can still note tee to green score if on the green at the maximum score. The player is disqualified from the contest if the ball was not yet on the green at the maximum.
League Championship – Round 1	Individual Stroke Play Tournament. The best 2 out of 4 scores are used for the Tournament Score.
League Championship – Round 2	Individual Stroke Play Tournament.
League Championship – Round 3	Individual Stroke Play Tournament.
League Championship – Round 4	Individual Stroke Play Tournament.
Women’s Golf Week Tournament	Individual Stroke Play Tournament.
